

# Program Support Associates, LLC Past Performance

1. **Project Name:** Federal Accounting
2. **Client:** Confidential (current 8(a) certified contractor)
3. **Contract Details:**
  - Number: TO0023
  - Value: \$38,900 (March 2025)
  - Duration: Feb 2023– Current
4. **NAICS Code:** 541219 – Other Accounting Services/Bookkeeping
5. **Summary of Work:**

Program Support Associates, LLC (PSA) was engaged by a current 8a company supporting the federal government, including the Defense Health Agency (DHA), for a project involving federal accounting. The project, which started in February 2023 and is ongoing, has a contract value of \$38,900. PSA is responsible for full lifecycle accounting, program management, and contract compliance. They utilize an ERP accounting system compliant with Defense Contract Audit Agency (DCAA) regulations, ensuring that the contractor remains eligible for direct awards and competitive full and open contracts by adhering to all Federal Acquisition Regulation (FAR) and DCAA regulations

6. **Results:**

PSA has ensured compliance with IRS and DCAA by diligently following Generally Accepted Accounting Principles (GAAP). This meticulous approach has significantly enhanced the company's competitiveness. By providing detailed project information, PSA has enabled ownership to generate comprehensive reports that assist in strategic organizational decision-making. This level of detail and accuracy in reporting has not only streamlined operations but also improved the overall quality of services provided to the client. The ability to run precise and insightful reports has empowered the organization to make informed decisions, ultimately contributing to its success and growth.
