

# Program Support Associates, LLC

Trusted Solutions. Global Reach. Local Commitment.

## Who We Are

Program Support Associates (PSA) is a minority woman-owned business with a proven track record of delivering high-impact solutions across federal and commercial sectors. With offices in Korea, the Philippines, and the U.S., we specialize in locating top-tier talent and supporting front- and back-office functions across construction, engineering design, and information technology.

## Our Mission

To be a trusted, agile, and transparent partner to government and commercial clients — delivering results through operational excellence, global talent, and uncompromising integrity.

## What We Offer

- **Total Workforce Support**

Recruiting, staffing, and managing skilled professionals for mission-critical operations.

- **Engineering & Design Services**

Cutting-edge design and consulting services to support infrastructure & defense projects.

- **Construction & Facility Support**

Comprehensive construction management, O&M, and facility modernization services.

- **IT & Back-Office Solutions**

Scalable IT support, cybersecurity, accounting, business development, administrative services, and program management.

## Why Choose PSA

- Decades of federal and commercial contracting success
- Global infrastructure in place
- Honest messaging and adaptive strategy beyond 8(a)
- Experience-led. Mission-driven. Results-focused.
